

BUILDERS' GUIDE

The Proof of Sound Lumber

is in the actual construction of your building. On that basis merit and merit alone, tells the tale. Our lumber is sound for almost any construction purpose you may have in mind. A large stock of sizes and lengths is at your command. Also roofing paper, wallboard, sash and doors, etc. Let us figure with you.

Next Week at The Torrance Theatre

As Luke Taylor, the millionaire lumber king in Reginald Barker's new picture, "Hearts Aflame," at the Torrance Theatre Sunday and Monday, May 27 and 28, Frank Keenan, veteran actor and screen favorite, creates one of the greatest characters of his career on the screen. Cast to play the part of a crabbled old individual who has more money than he can possibly spend, but who aches for activity and the life of a logging camp, as he had known it in his youth, Keenan brings to the role all the force and versatility at his command, according to those who have seen the picture.

What many motion picture reviewers have declared to be one of the finest photoplays yet produced, "Hungry Hearts," dealing with New York City, is coming to this theatre Tuesday and Wednesday, May 29 and 30. It possesses that heart interest which is the appealing element in every photoplay. The story deals with the coming of a Russian family to America, the land of promise, where money, freedom and justice, they think, can be had for the asking. The family endures much suffering and disillusionment before finally finding that justice which they dreamed would meet them here.

Alice Brady in "Missing Millions," and Will Rogers in "Freak of Fate," will be a big double bill for Thursday and Friday, May 31 and June 1.

Motion pictures in natural colors are at last a reality. A process by which familiar objects can be projected on the screen in the shades and tints which they have actually had been made perfect. "The Toll of the Sea," the first motion picture to be photographed in the new Technicolor process, shows that it is no longer necessary to present objects in the drab black and white of the present day photography. The new invention will prove a revelation to those who see this film at the Torrance Theatre Saturday, June 2.

TORRANCE WOMAN'S CLUB

The Woman's Club of Torrance met in Catholic Hall Monday afternoon. This being the occasion of the annual primaries, the club was not called to order until after the ballot box was closed at 3:00 o'clock. Mrs. Frank Sammons' president, presided.

After the reading of the minutes, all other business was dispensed with in order that the Girls' Club from the high school, under the direction of Miss Burwash, might give the musical numbers they had prepared, a group of six songs.

Mrs. Hanson's report on the card party showed a neat sum realized for the benefit of the disabled ex-service men.

It was agreed to hold the annual luncheon of the club at 1:00 o'clock Monday, June 18, after which the installation of officers for the next year will take place. Mrs. Watson, chairman of the committee on the dance to be given Friday night, June 1, reported that there will be good music and that the floor would be in good condition. This dance will be held in Sammons' warehouse and will be the big social event of the year. It will be an informal good time and all are asked to come plainly dressed. Besides the modern dances there will be square dances and the Virginia reel. Admission will be twenty-five cents.

Mrs. Sammons announced the sunshine committee, Mrs. H. F. Beckwith, Vista Highlands; Mrs. Fred Hanson, Carson street, and Mrs. J. R. Sach, Cota avenue.

Current events were given by Mrs. Garner and Mrs. Whitney. Mrs. Bath played a group of two numbers, Nocturne by Chopin and Mazka.

Mrs. Milburn, press representative, announced that the Los Angeles Examiner, in response to a petition signed by the press representatives, had promised to segregate the club news from the society news and give it a special caption. This arrangement will begin in September, the opening of the club year.

The results of the primaries were given and those names receiving the highest numbers will appear on the ballot to be voted at the meeting of June 4.

NEWLYWEDS AT HOME

Mr. and Mrs. John R. Richhart are at home to their friends at the home of the bride's parents, Mr. and Mrs. E. N. Tomkins, of Gramercy avenue. During their trip in the northern part of the state, the young people were entertained at Napa by Mr. and Mrs. W. B. Gay, and enjoyed several motor trips through Napa county. At Sacramento, they were guests of Mr. and Mrs. C. F. Doyle, who kept them busy seeing the sights of that city and the surrounding country. From Sacramento Mr. and Mrs. Richhart went to Santa Clara, where they visited Mrs. R. B. Rollman. After pleasant side trips to Santa Cruz, Big Trees, Los Gatos, and other interesting points, they returned to Torrance via San Francisco. Mesdames Gay, Doyle and Rollman are Mrs. Richhart's aunts, all sisters of Mrs. Tomkins.

MACCABEE NOTES

Torrance Review, No. 37, will hold its regular meeting in Catholic Hall, Friday, May 25, at 7:30 o'clock, sharp.

The Supreme Officers of the association will arrive in Los Angeles May 23.

The Marqathon Pageant will be held Tuesday, May 29, at the Occidental Bowl, at Eagle Rock. The pageant starts at 1:00 p. m.

Comet Brookg entertained ten of his boy friends at dinner Saturday evening and afterward attended the theatre. The occasion was the celebration of this thirteenth birthday anniversary.

NOTICE OF PROPOSED CHANGE OF PRINCIPAL PLACE OF BUSINESS.

Notice is hereby given that National Drilling & Development Company, a California Corporation, proposes to change its principal place of business from the City of Long Beach, in the County of Los Angeles, State of California, to the City of Torrance in said county and state; That the consent in writing of the owners of more than two-thirds of the capital stock of the corporation has been obtained and filed in the office of the company at 546 Chestnut Street, Long Beach, California.

At a meeting of the Board of Directors of the National Drilling & Development Company to be held at 4:30 P. M. on the 4th day of June, 1923, at 546 Chestnut Street in the City of Long Beach, a resolution changing the said principal place of business from the said City of Long Beach to the said City of Torrance will be presented to the Board of Directors of the said company for adoption. Dated this 9th day of May, 1923. NATIONAL DRILLING & DEVELOPMENT COMPANY.

By G. A. R. Steiner, President.
By H. D. Pottenger, Secretary.
